MOSH CPS Guideline Doc Tree- CPS Technical Documents

Access the Transport and Machinery documents on the website, then navigate to "CPS EMI/EMC Documents" and "CPS Technical Documents"

Requirements Documentation

User Requirement Specification
- Surface
- Underground

F&TPR Specification
- Surface CxD
- Surface TMM CPS
- UG CxD
- UG TMM CPS
- Addendum: Fail To Safe Without Human Intervention

Test Specification
- TRL4 Surface CxD
- TRL4 Surface TMM CPS
- TRL4 UG CxD
- TRL4 UG TMM CPS
- TRL 7 Surface
- TRL7 UG

Supporting Technical Documentation

EMI/EMC
- EMI/EMC Overview & Summary
- Test Methodology & Procedures
- Ambient Emission Measurement - General Findings
- User Manual: Plot the Mine
- Standards Gap Analysis
- Frequency Spectrum Management Plan

Zone Functionality
- Zone functionality and Sensor Fusion Report

Supporting Process Documentation

- Readiness Criteria
- Requirements Verification Regime
- Section 21 Framework
- Legacy Equipment Report
- Interoperability Report
