Output 3:
Technology transfer on minimising seismic risk in the platinum mines

Friedemann Essrich
MSc (Geoph), SiM Mining Consultants (Pty) Ltd.

Johan Hanekom
MSc (Eng), Middindi Consulting (Pty) Ltd.
Facilitated roll-out of the production personnel training including train-the-trainer workshops on all mines with proven, expected or perceived seismic hazard.

• 12 animated training modules (3D)
• Introduction with user interface
• Installer with codec pack
• Summary module
Modules 1-6

1. Geology
2. Stress
3. Seismic sources
4. Layout & sequence
5. Mining practice (panel)
6. Gullies & sidings
Modules 7-12

7. Pillars
8. Seismic systems
9. Rockbursts
10. Rules
11. Seismic hazard & risk
12. Summary
Workshops – Objectives

Inform mine personnel in charge of strata control training of the new animated training materials produced by SIM140301.

• Introduce strata control training staff to seismicity,

• Present animated modules,

• Provide instructions on use,

• Clarify rock engineering issues related to seismicity.

Note: This workshop is aimed at trainers, not at general rock engineering and production personnel.
1. Workshop for mines in the Thabazimbi/Northam area

   • Date: **5 November** 2015, **13h00-16h00**
   • Venue: Tumela Mine Training Centre
     (See map on page 7)

2. Workshop for mines in the Rustenberg area

   • Date: **6 November** 2015, **8h30-12h00**
   • Venue: Impala Platinum Visitor Centre
     (See map on page 8)
Northam/Thabazimbi workshop – 5/11/2015

Amandelbuilt Training Centre
Impala Platinum Visitor Centre

Rustenberg workshop – 6/11/2015
Stakeholder Mines - Eastern and Western Bushveld

Project funding is provided by the Mine Health and Safety Council under project number SIM140301
Installer

- Includes latest WIN Media player & K-lite codecs.
- Consult with IT regarding the installation.
- Suitable for WIN7, 8 and 10 (32-bit)

- Copy to PC, then install (double-click on .EXE file)
Installer

Welcome to the SIMRAC Video Player v1.0.0 Installation!

This program will install SIMRAC Video Player v1.0.0 on your computer. Click "Next" if you do not want to install this application. Click "Cancel" if you want to cancel the installation.
