

MINING INDUSTRY OCCUPATIONAL SAFETY & HEALTH

Sir/Madam

The Chamber of Mines Learning Hub and the Safety Department cordially invites you to participate in the
“South African Mining Industry Rockburst Accidents - Day of Learning 2017”
(SAMIRA - DOL '17)

Date : 20th September 2017
Venue : Glenburn Lodge, Muldersdrift – Cradle of Mankind
Time : 08h30 - 14h00

RSVP: Please forward your invitation acceptance/rejection or your additional nomination on or before the 13th September 2017 to
sdurapraj@chamberofmines.org.za

Despite significant improvements in last 5 years in rockburst fatality accidents, 2017 has seen a significant rise in incidents, injuries and accidents related to seismic events. This session will focus on understanding what led to the unfortunate events and also provide key learnings from the post accident analyses

CHAMBER OF MINES
of South Africa

Hosted by the COM Learning HUB and the Safety Department
